

Winton Road

6/29/2009

Work continues in the northbound curb lane of Winton Rd. from North Hill Lane north to Ronald Reagan Cross County Highway. Crews are removing and replacing curb, sidewalk and driveway aprons, as well as widening the roadway.

Here is the beginning of the new northbound Winton Rd. to eastbound Galbraith Rd., right turn lane.

The curb lane of westbound Galbraith Rd. from Beta Ave. west to Winton Rd. remains closed. Workers are continuing work on the curb, sidewalk, and driveway apron removal and replacement.

Here are parts of the newly improved storm sewers that will soon be carrying water away from a freshly paved roadway.
